(24hr answer machine)**

175 non school days each year to use for family time, visits, holidays, shopping, household jobs and other appointments

GOOD	WORRYING	SERIOUS CONCERN
Best chance to succeed and to celebrate success.	Less chance of celebrating success. Makes it harder to make progress.	Celebrating success very difficult. Possible COURT ACTION

Why good attendance matters?

Those whose attendance is good:

- Understand lessons better,
- Achieve better results,
- Sustain friendships,
- Are socially and emotionally balanced.

What does “good” attendance mean?

- 100% attendance is when a student arrives on time and attends every lesson every day.
- 95% attendance– is the National average.

What does “unsatisfactory” attendance mean?

- Attending less than 90% of the time. One day’s absence every two weeks will give 90% attendance.
- Continual lateness to school.

When can I keep my child away from school?

Acceptable authorised absence can only be given for the following circumstances:

- Genuine illness
- A family crisis (i.e. family bereavement)
- Religious observance

What is not accepted as absence?

- Shopping
- Oversleeping
- Having a birthday
- Looking after other family members
- Staying at home for deliveries/workmen

What about holidays?

A new law, introduced from 1st September 2013, **gives NO entitlement to parents to take their child on holiday during term time.** Any application for leave must only be in exceptional circumstances and Head teachers would not be expected to class any term time holiday as exceptional. The Abbey Primary School **will not** authorise any holidays in term time. Parents can be fined by the Local Authority and the initial Fixed Penalty Notice of £60.00 will be issued to each parent for each child (i.e. two parent family, two children = £240.00).

The school office must be informed of all absence as soon as possible.

The school telephone line has an answer phone system where you can leave a message before the school day starts. Please note that the school answer machine does not accept text messages. Please do not leave a message in the classroom—teachers are busy teaching!

School Response

If you have not contacted us we will be in touch with you by phone or letter. If we still have no reason for absence, your child's attendance will be closely monitored. If problems persist, a parenting contract may be issued and the Educational Entitlement team will be informed.

Lateness

It is just as important to arrive on time at school as it is to attend regularly. Children who miss the start of a school day will miss vital information on the day's lessons and can also cause disruption to the class. This could also have a detrimental effect on your child socially and emotionally. The school day starts at 8.45am.

Medical Appointments

We do appreciate that not all medical appointments are able to be made out of school hours. Please try to keep these to a minimum and inform the office if your child has a medical appointment and will therefore be late, or if they will need to be collected during the school day.
