11th September 2017

Dear Parents/Carers,

A warm welcome to you and to your child for their first term of learning at The Abbey Primary School, we all look forward to working with you and your children.

The following units that your children will be studying this term are:
Starting School and All about me.

Our topic work this term will focus on the children getting to know and explore their new learning environment. We will be learning school routines and all about our schools '5 bees.' We will be discussing what we look like, our families, where we live and the things that make us special.

We will also be looking at the book 'The Magic Bed' which we will be using alongside drama strategies to develop the children's imaginations and use of language.

Please look at the school website www.theabbeyprimary.co.uk for more curriculum information about the learning taking place in the Early Years. There are also some suggestions on how you can support your child at home with their learning.

Reading

Reading books and keywords will be sent home towards the end of the term. Please support your child at home to read their reading book and to learn their set 1 keywords. Reading books will be changed weekly and keywords will be tested every two weeks. We expect that reading records will be signed and a comment made three times each week.

Homework

Your children will be coming home with a sound book which we will add new sounds to as we learn them. We encourage the children to recognise the letter sound and the letter name. Encourage your child to think of words that begin with the sounds and draw them on the appropriate page.

ICT Passwords

Headteacher: Mrs Renuka Popat B.Ed Hons., NPQH

ICT passwords will be given out shortly. The children will then be able to access a wide variety of websites to support their learning at home. All of the websites are available via link from the main school page.

PE Kit

P.E will take place on Friday mornings for both classes. Please ensure that all of the children's clothes are labelled and that their P.E kit is in school on this day. Earrings must be removed. The children will need to be able to undress and dress themselves independently.

Newsletters

Weekly school newsletters will be available to read online every Friday. Please access them through the school website as they contain important information and dates. If you would like a paper copy these will be available every Friday from 2.45pm from the school office.

Birthdays

As we are a healthy school we do not allow sweets and or cakes to be handed out in school. We celebrate all children's birthdays throughout the year in school.

Important Dates

EYFS Part-Time Week – 11th – 15th September

Full time week – 18th -22nd September

**Maths Workshop with opportunities to meet class teachers – Wednesday 20st September
3pm-4pm or 6pm-7pm**

Reading Meeting for Early Years – 26th September – 2.15pm

If you have any questions regarding our topic work or homework, please speak to your child's Class teacher at the end of the school day. We are more than happy to help.

Yours sincerely

Mrs Simmonds
Acting EYFS Co-ordinator
