

This Term...

Our new topic in Year 3 will be
"Scrumdiddlyumptious!"

We're going to tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalizing treats! We'll work up an appetite with delicious stories

about food, have fun with a vegetable orchestra and become a fruity sculptor. We'll get busy in the kitchen making tasty dishes from across the world and discover how good food helps us grow fit and strong.

Our new topic in Year 4 will be "Misty Mountain Sierra"

Mighty mountains peak above the morning mists, imposing and eternal, rocky outcrops at their feet.

We'll discover how these giants are formed, as a fold or a block, a dome or a plateau. We'll follow the water cycle's course from peak to valley and meet the exceptional tribes of the hostile Himalayas. Then plan a mountain expedition that is eco-friendly. But beware, look out! What's that by that tree? Its footprints are huge! Have we found the Yeti?

Thought of
the term...
